Dear Mr. DiCicco:

The inspection of your Concrete Quality Control laboratory and equipment located at your Precast facility (P/S #519-01) was completed on March 12, 2007, by representatives of the Illinois Department of Transportation. The lab is approved for QC/QA concrete production.

All tests shall be performed in accordance with the Department's current version of the Manual of Test Procedures for Materials. Any personnel performing these tests shall be appropriately trained and certified via State approved courses.

If you have any questions or need additional information, please contact Mr. Jeff Deady, Precast Supervisor, at (847) 846-2769.

Very truly yours,

Melvin H. Kirchler, P.E.
Bureau Chief of Materials
